

Apopka Fla
April 11th 1946

Dear Sir:

Only a few lines regarding an application to play with your great Club. All I need is coaching. I am quick to catch on, and a little work out. I never threw myself away by excess or drinking. An I am confident in myself to make good if I am given the chance. I have played baseball & Class B ball for the past 7 years. So far I have had perfect control. I could have signed with the motor City giants of Detroit Michigan, an the Atlanta block Crackers of Georgia. But I had to stay on a defense job or go to the army. I left Detroit last year for Seattle Washington, there I join the Bremerton all Stars Bremerton Wash. of the Olympic League. I would like very much to hear from you before leaving the 28th off this month. So I would know how to contact you when I arrive in Newark. I am a Rictet Right hander weight 170 Height 5 ft 9 in age 22. I am leaving for Jersey, the 28th will try & contact some off the officials when I arrive. If possible let me hear from you before the 28th. I remain yours truly James P. Paige. P.S. Apopka, Fla.
